State Celebration
Welcome to Atlanta!

The SkillsUSA National Leadership and Skills Conference is the showcase of skilled trades. Quality career and technical education will be the centerpiece of the conference. Thousands of students, teachers, education leaders and representatives from hundreds of national corporations, trade associations, businesses and labor unions will join together to engage, prepare and celebrate America’s future workforce. Atlanta is excited to be the new home of this event.

While Atlanta is sprawling with towering buildings made of glass and steel, it is truly a city in the forest, dotted with expansive green spaces. Everyone is buzzing about the destination, including Lonely Planet. The travel experts named Atlanta as the only U.S. city included in its Best in Travel list for 2022. This urban oasis is a multi-cultural haven for residents and visitors alike, yet exudes Southern hospitality. Individuals from all walks of life add to the city’s charm and personality.

Atlanta began as a railroad terminus and remains a transportation hub, but with a 21st-century, global approach. Hartsfield-Jackson Atlanta International Airport is the busiest airport in the world, and 80 percent of the U.S. population lives within a two-hour flight. Visitors can roll into Downtown directly from the airport by riding Atlanta’s public rail system, MARTA.

The recently refreshed Centennial Olympic Park is Downtown’s centerpiece and is anchored by the Fountain of Rings, an everlasting reminder of the 1996 Summer Olympic Games. Next door, attractions surround Pemberton Place such as Georgia Aquarium, World of Coca-Cola and The National Center for Civil and Human Rights. Atlanta Streetcar is the city’s modern-day trolley, carrying passengers from the convention and entertainment district to the eastside of the city.

Sports fans have much to enjoy with a multitude of major league teams to see in action. At the state-of-the-art Mercedes-Benz Stadium, the NFL’s Atlanta Falcons “Rise Up” and MLS Atlanta United FC, compete on the soccer pitch. At State Farm Arena, the NBA Hawks take the court. For more football action, collegiate fans congregate at Chick-fil-A College Football Hall of Fame.

Atlanta’s rich history comes to life in Sweet Auburn Historic District, once the wealthiest black community in America. The area is a focal point for the civil rights movement, as the Martin Luther King Jr. National Historical Park and Ebenezer Baptist Church are located within the district.
Beyond the city’s core, Atlanta’s intown neighborhoods are packed with personality. Midtown mixes elegance with culture. The Westside has become a magnet for foodies, design enthusiasts and shoppers. Buckhead blends boutiques and galleries with fabulous dining, while Little Five Points keeps it funky through bohemian grunge paired with eclectic shops and music spots.

In Atlanta, chef-run restaurants dish up modern American cuisine in strikingly beautiful spaces. Among the cutting-edge eateries are cozy diners, cafés and bistros. The ethnic mom-and-pop restaurants along Buford Highway offer menus with lots of flavor.

Atlanta welcomes more than one million international visitors each year. Seventy-one countries have representation in Atlanta through a consulate or trade office, giving it a diverse economy. From arts and culture to music and cuisine, the city is full of multi-cultural opportunities for everyone.

Atlanta sits at the intersection of Southern charm, creativity and sophistication. It is easy to fall in love with this beautiful city – its world-class attractions, award-winning dining and hidden wonders – and be inspired by the city’s endless possibilities.

Downtown/Midtown is the city’s vibrant downtown convention and entertainment district is home to world-class attractions, while the artsy Midtown neighborhood provides inspiration through food and culture. View a map at https://bit.ly/NLSCAtlMap.

Conference Experience

Safety and Security Information

The safety and health of all conference attendees is the top priority of SkillsUSA. While no city can guarantee complete safety at all times for its visitors, SkillsUSA has worked closely with the City of Atlanta, the Atlanta Convention and Visitors Bureau, Georgia World Congress Center Police Department and Security, Atlanta Police Department, Atlanta Ambassador Force, MARTA Police Department as well as other public safety stakeholders and security specialists to ensure the safest experience for attendees.

Unlike our convention centers in Louisville and Kansas City, the GWCC uses a secure badge system for all attendees. No one is allowed into the building without the proper badge and identification. This provides a level of event security that SkillsUSA has not been able to obtain during past conferences. The city of Atlanta also incorporates a high-end surveillance system that is constantly monitored.

Atlanta Police Department

The Atlanta Police Department (APD) is divided into zones with dedicated officers and a zone commander. Most conference will take place in Zone 5. This zone covers most of Downtown Atlanta and has a long history of working with major events and conferences, including Super Bowl LIII and the Atlanta Pride parade. Each week the department evaluates zone wide crime reports and allocates additional resources to areas needing a public safety focus.

Atlanta Ambassador Program

Whether you need a helping hand to figure out where to go and what to do in downtown Atlanta, or you need assistance locating a business or your rental vehicle, or you're concerned about a safety issue, Atlanta has you covered with its Atlanta Ambassador program. The city of Atlanta has members of its helpful Ambassador Force stationed throughout the downtown to assure public safety and provide tourists and residents with information. They’re the ones in the red and blue uniforms riding Segway human transporters or All-Terrain Public Safety Bikes. Beyond the ambassadors you see on the streets, there are also ambassadors who monitor the downtown surveillance cameras in addition to the police department’s monitoring station. During special events, ambassadors communicate with public safety officials directly from the Joint Operations Command Center.

Ambassador Services:
- Welcome and Information Booths: Located at the intersection of Peachtree St. and Andrew Young International Blvd., these are staffed 7:15 a.m.-11:45 p.m.
- Travel Help: Ambassadors know every inch of downtown and can tell you the best route (by foot, car or MARTA) to any location. They can also pre-screen attendee walking routes for conferences and events.
- Activity Suggestions: Whether visitors have an hour, an afternoon or an entire weekend to enjoy the sights and sounds of downtown, ambassadors can recommend the perfect attractions.
- Medical Assistance: Ambassadors are trained to assist in medical emergencies and have direct radio contact with emergency responders. They can also guide people to the nearest 24-hour pharmacy or healthcare provider.
- Maps: Ambassadors can offer one of the most useful tools in any city: a detailed map, marked with major attractions, hotels, restaurants and roadways.
- Safety: Downtown Atlanta is extremely safe. However, should visitors ever feel uncomfortable, they can approach the nearest ambassador who will be happy to escort them to a vehicle, hotel or other downtown destination.
Georgia World Congress Center
The Georgia World Congress Center (GWCC), the new home of the National Leadership & Skills Conference, is one of the nation's premier destinations for conventions, trade shows, film production and more. Located in the heart of downtown Atlanta, GWCC offers 1.5 million square feet of prime exhibit space and is the world’s largest LEED certified convention center. Consisting of three interconnected buildings, the GWCC offers a variety of flexible and dynamic spaces and hosts hundreds of world-class events each year. Steps from the convention center’s doors, visitors will find 22-acre Centennial Olympic Park, state-of-the-art Mercedes-Benz Stadium (home to the Atlanta Falcons and Atlanta United), the Chick-fil-A College Football Hall of Fame, and the Atlanta Hawks’ recently renovated nest, State Farm Arena.

Staying Connected (Cellular and Wi-Fi Information)
GWCC contains several free wi-fi areas to ensure attendees can stay connected. Throughout GWCC, there are service boosters for all major cell phone carriers as well.

State Farm Arena
State Farm Arena will host the Opening Session, Recognition Session and Awards Session of NLSC. The venue is home to the Atlanta Hawks and has recently been named Best New Concert Venue in the United States by Pollstar. The arena is 680,000 square feet and has a capacity of nearly 20,000.

All sessions should serve the educational purpose of developing a technical skill and should not focus on the sale of a specific product. A brand and product can be utilized to demonstrate a skill.

For questions or more information, contact Karolina Belen at kbelen@skillsusa.org.
The SkillsUSA Championships program assesses and recognizes career and technical education students. It engages students by testing their skills against standards for entry-level workers in the skilled trades through authentic skill demonstrations. Students are evaluated by expert representatives of business, industry and organized labor. The SkillsUSA Championships program connects the work done by students at the local level to the national level through programming offered at the district, regional and state levels.

**Competition Updates**

Updates will be posted to the link below. This page will be updated continuously leading up to NLSC:

Request for Accommodation
SkillsUSA is committed to providing equal access during our national conference. Please use this form to request accommodation or assistance for national contestants at NLSC. Our staff will review each request and contact the requestor if additional information is needed to provide services. Please submit all requests by June 1, 2022.

This form should be used for national contestants or participants who:

- Require the assistance of another person at the orientation meeting and/or during the competition. (Submit this form along with the official contestant registration form.)
- Have a disability that may require adaptations or accommodations.
- Have hearing impairment and will need the support of a sign language specialist for the contest orientation, beginning of the contest and/or the debriefing. If a signer is needed for longer intervals or for the whole day, SkillsUSA will work with state SkillsUSA directors on an individual basis.
- Have food allergies, diabetes or other health concerns or conditions.
- Use a wheelchair, walker or crutches.
- Require a translator due to a language barrier (note: state associations must cover the cost of translation services, if needed).

Fill out the form online Contestant Request for Accommodation (2022):

Deadline: Submit all requests no later than June 1, 2022.

If you have questions, contact Darren Gibson [dgibson@skillsusa.org](mailto:dgibson@skillsusa.org).

Professional Development Testing
New for this year, professional development testing will be conducted pre-conference via the new SkillsUSA Online Testing Platform. Offering this as a pre-conference test alleviates the test administration duties from state directors while also providing student competitors the opportunity to take the test at a time and location that is most productive for them.

Competitors registered by May 10 will receive information on how to test on or before May 25. Registered competitors will receive an email to the email address affiliated with NLSC conference registration with their assigned username, password, and login URL. In addition to the information being sent directly to competitors, user credentials of all registered competitors from your state association will be emailed to the state director. State Directors are encouraged to disseminate this information to their advisors to ensure that all competitors are able to access their online test.

Please encourage your competitors to take this assessment, as it is worth 2.5% of their total overall score. All Professional Development Tests must be completed by 5 p.m. ET on Tuesday, June 21 to be scored. Failure to complete the test by this deadline will result in a score of zero for that portion (2.5% or 25 points) of the contest scorecard.

As a reminder, contestants in Action Skills, Building Maintenance and Community Action Project are not required to complete the professional development test and will thus not be enrolled in a test.
Testing for students added/substituted
No additions or substitutions will be accepted after May 10 and prior to conference. Please have all substitutions and additions ready for your on-site registration appointment at the Georgia World Congress Center. All substitutions and additions will be processed at this time. Following your appointment, any students who have been added will receive an enrollment email at the end of the day on Sunday, June 19 notifying them of their enrollment. Any addition of contestants after your on-site registration appointment and prior to Tuesday, June 21 at 12 p.m. will receive an enrollment email by 2 p.m. on Tuesday. All students substituted or added should complete any assigned tests by 5 p.m. on Tuesday, June 21. Failure to complete the test by this deadline will result in a score of zero for that portion of the contest scorecard.

Limited Online Contest Testing
This year, SkillsUSA is excited to be running a pilot program designed to assess the feasibility of online, pre-conference technical assessments. This pilot program will utilize competitors from the following contests: Quiz Bowl, TeamWorks, Welding, and Principles of Engineering Technology.

In addition to the aforementioned professional development assessment, competitors from these select contests will also have a technical assessment for their contest loaded into their online testing account. These contest tests must be completed by Friday, June 10 to provide SkillsUSA and the national technical committees time to tabulate scores. SkillsUSA will communicate this deadline to all competitors in these contests via email.

Community Service Project

On Friday, June 24 at the National Leadership & Skills Conference, SkillsUSA students will apply their skills and provide service to the Atlanta community by participating in the SkillsUSA “Build Skills – Do Good – Complete the Cycle” community service project. The student participants will assemble bikes which will be presented to local children.

The day of service will begin with a kickoff rally for attendees and business partners at 9 a.m. in the Georgia World Congress Center. Beginning at 9:30 a.m. and lasting until 12:00 p.m., student participants will work in teams to apply their skills and carefully construct two children’s bicycles. This will be a fantastic ending to conference week as 400 students, advisors and partners work to give back to the Atlanta community.

Students and advisors who would like to register for the Community Service Project will do so in SkillsUSA Register. Under “Add-On Events,” users will click the “Yes” button next to the question “Participate in Community Service Project on Friday?”

A live link to a list of contests that are unable to volunteer for Community Service due to their required contest debrief can be found https://bit.ly/35wGYgE. Additional details about the service project will be shared closer to NLSC on the SkillsUSA website.

Commonly Asked Questions and Answers
- How can I print a report of my NLSC registration? On the Conference Registration website click the tab Conference > Export to Excel. You may also print a report of Emergency Contacts and a Summary of your schools Registrations.
- Where do we send our money? Money collected for all registration fees should be sent to the state SkillsUSA director. The national headquarters collects conference fees from the state association office. Payment instructions will print on the invoice or contact your state SkillsUSA director.
- Why can’t I view all my school’s participant records? To view all records of your school participant(s), you must own them (you created the record). If you are responsible for registering everyone, we can give you “rights” to all the records. Please call our Customer Care Team at 844-875-4557 to request School Administrator rights.
- Why can’t I get the record to save? Look for red typed script at the top of the screen that indicates the problem. Example: Date of birth must be entered as: MM/DD/YYYY (with a 4-digit year). Ensure you answer all the questions in the registration form to reduce these types of errors.
- Why can’t I enter my participant in a contest? To enter a contest, you must select the Registration Type > Contestant. The contestant must be a registered member by March 1 and the school invoice must be paid.
- What is the Submit Registration button? This button is used to validate the information in each individual registration record and will issue an invoice if your state is using the system for invoicing. Once a name is added to the site, they are considered registered regardless of whether the Submit Registration button was clicked.
- Who do I call regarding my state delegation costs, registration, hotel, and transportation questions? These calls should be directed to your state SkillsUSA director. For contact information, please view paperwork provided to you by your state director or go to: www.skillsusa.org/about/state-directors/ .
- What is the deadline to register for the conference? Your state SkillsUSA director will provide information for registration deadlines.
Hotel Booking Information

Hotels will be booked using the Cvent Passkey system through HPN Global. HPN’s professional housing team will partner with you to streamline and automate the reservation booking process for SkillsUSA NLSC.

1. Launch the PassKey dashboard to book hotel rooms from SkillsUSA Register (register.skillsusa.org). Click the tab Conference>My Registrations. Select the NLSC event and click the button “Hotel Reservations.”

2. Select check-in and check-out dates Enter the number of rooms you need Enter the average number of guests per room Click “Search.” Click “Select.” next to your assigned hotel.

3. Next, enter the # of rooms you need for each room type and click “Select” Passkey will show a warning message if you enter in too many or too few rooms Booking Contact Information – as the lead of the group reservation, this is where you put your information. Be sure to use your school’s address versus your personal address and include your school’s name. The information provided on this page will be used to populate all the rooms in the reservation.
4. Now we are at the section where you will complete your rooming list. It is required that you provide all names on all reservations. Hint: use the Tab key to go to the next name. During this step, please leave your email address next to each student’s name. This ensures that all reservation information is only sent to you.

Clicking on the ***ellipsis icon next to a guest entry will give you the option to:
   a. View and edit the guest details such as length of stay, and other personal information
   b. Remove the room from the reservation

5. Review all the reservation details and make any last minute changes to them. Accept the terms and conditions by checking the box next them. A master acknowledgement will arrive in your email moments after you complete your reservations.

Keep In Mind ( Helpful Hints)

- When a reservation is created through the Group Booking Workflow on the website, rooms cannot be added to it. If you need additional reservations, you can make a new reservation via Passkey. The new reservation(s) would have a separate master acknowledgement number.
- If you are making more than one reservation, please utilize Passkey via your desktop verses mobile app.
- Have all attendee names and roommate assignments together prior to starting the housing process. All student names are required to be put into Passkey.

The Road Between State Championships and National Conference
Set yourself and your student competitors up for success by following these best practices:

- Mark all deadlines on your calendar.

- Attend the NLSC virtual meeting with your state office staff (or set up a meeting yourself)
  - You and your competitors will be part of a state delegation and will be expected to follow both school district and state organization policies and procedures (example: travel agencies versus travel on your own, assigned hotels, state sponsored banquets, meals, etc.)
  - Find out how to ship equipment/supplies ahead of time, or determine if it all can be flown/driven to NLSC. (This cost will need to be accounted for in your budget/discussed with schools.)

- Review the SkillsUSA Championships Technical Standards competition guidelines, which can be located in Absorb in the Professional Membership Benefits section.
  - Note that competition attire is required for national events that is not typically required at state championships.
  - Note also that SkillsUSA official attire is required for the Opening and Awards Sessions at NLSC.
  - Note that national guidelines specify what contest materials and equipment are provided and what is expected for each competitor to bring.

- Discuss NLSC with your school administrator or CTE Director (financial obligation, school board approvals for travel out of state, etc.)
  - Begin the requisition process ASAP (some advisors even do this before state championships, as there is sometimes a quick turnaround for travel agents, registration, etc.)
  - It is always worth asking if you can bring along future SkillsUSA leaders from your chapter; there is a wonderful pre-conference experience called Activate and contests are open for viewing. If this is an option, discuss finances with school personnel and space availability with the state office.
  - There is also a great pre-conference training for advisors called Engage; this is an additional registration cost, but it is well worth it for professional development. Engage does not conflict with the competition schedule.
  - Create a planned budget of expenses to share at this meeting. Include the cost of meals and transportation, and try to plan for some fun extras if possible. Your school may not provide all these items, but there may be organizations in the community willing to help offset those costs.

- Download the SkillsUSA 2022 NLSC App from the Apple Store or Google Play and follow SkillsUSA’s social media channels (state and national) for updates.

- Bookmark the NLSC page and the contest updates page on the SkillsUSA website and check for updates frequently:
  - Competitions: bit.ly/NLSCChampionships
  - Contest Updates: bit.ly/ChampionshipsUpdate
  (Note: The updates page may be updated weekly or even daily leading up to NLSC.)
Meet with your competitor and their families. This step is crucial! Don’t assume that your student is communicating needed information to parents/guardians. This meeting should be done after you meet with your administrator so that finances can be discussed. (Or schedule an additional meeting.)

- Make sure the competitor can and wants to attend. This needs to be done immediately; if your competitor can’t attend, contact your state office ASAP, as there may be a possibility for the silver medalist to go.
- Make sure that your competitor and family understand that even though NLSC is in June, it is a school event and a SkillsUSA event and all policies and procedures will still be followed. (This is true even if the student has graduated from high school prior to attending NLSC.)
- Make sure that your competitor and family understand that having a single hotel room is rare for most states and that sharing hotel rooms should be expected. (This is dependent on your school policies, your state organization’s policies and SkillsUSA, so know this information prior to your meeting.)
- Be candid about costs. If your student is expected to pay for food, baggage fees, mementos and clothing, give them a reasonable amount of money to plan for.
- Share a sample packing list with your competitor and family (see below).
- Set up regular contest practice sessions with your competitor. It is vital that your competitor studies the SkillsUSA Championships Technical Standards rules and regulations and practices each skill for the national competition. It is great to seek assistance from business and industry to evaluate work and provide feedback. This helps your competitor feel ready to compete.
  - Ask someone who is experienced with resumes to review your student’s resume. Resumes are required for all NLSC contests. (Most people who work in HR departments are more than happy to help with this task.)
  - Review the SkillsUSA Knowledge Test with your competitor. Check the SkillsUSA website for more information about this.

Planning and Packing — Tips for Students:

- Take the time to think through what you will need, then pack accordingly.
- Leave your itinerary with family.
- Tag your luggage inside and out.
- Bring a cellphone.
- Bring your cellphone charger.
- Have your advisor’s mobile phone number.
- Carry your medical insurance card.
- Have a valid travel ID (see TSA site for acceptable types of ID): Tsa.gov
- Bring a list of family phone numbers.
- Leave expensive electronics or jewelry at home.
- Bring an alarm clock.
- If you take prescription medicine, bring a supply with you.
- Bring some extra cash for emergencies.
- Bring two pairs of comfortable shoes.
- Write down your schedule including contest times and state meetings.
- No backpacks or large tote bags are allowed in the general sessions.
The Road Continues: Arrival in Atlanta

Hotel Courtesies
SkillsUSA members have a nationwide reputation of high standards to uphold. Keep in mind that it is our good reputation that enables you to take pride in your organization. The following is a list of hotel courtesies and suggestions to which attendees should give serious consideration:

- Attendees should tip hotel staff when luggage is brought to their rooms ($1 to $2 per bag).
- Attendees should tip for restaurant meals, food deliveries and room service (15%-20% of price).
- Attendees will not open hotel windows or throw objects out of the windows.
- Attendees should always be considerate of other guests in the hotel. Please realize that there may be business/industry representatives, technical committee chairs, judges, etc. staying in the same hotel.
- Attendees should keep their sleeping room neat and clean at all times.
- Attendees are not allowed in any hotel room other than their own assigned room. There are common areas in all hotels for social gathering.
- Attendees are expected to respect and obey hotel security procedures and safety regulations. Posted notices must be followed at all times.
- Attendees will observe the assigned curfew times, regardless of age.
- Attendees are provided a copy of the conference Code of Conduct, located on page 2.
- Any additional rules established by advisors/chaperones and/or hotel must be followed at all times.

Fire Safety
The probability of you being involved in a hotel or motel fire is remote but taking a few precautions and knowing what to do in an emergency is important to every traveler. You may not have time to plan during an actual emergency.

1. When you check in, ask at the front desk what type of fire alarm the establishment uses and what the alarm sounds like (sirens, gong, whoop, public address, etc.)
2. When you arrive in your room, check to see if a fire evacuation plan is posted on the door and read it carefully. If one is not posted, ask the front desk.
3. Next, find the two exits nearest your room. Check them to be sure they are unlocked and unblocked.
4. Then count the doors between your room and the exits. This will help you find the exits if the corridor is unlighted or becomes filled with smoke.
5. Take every alarm or unusual noise seriously. Should you hear an alarm, don’t hesitate — act.
6. If fire is in your room, get out of the room and close the door. Report the fire immediately to the fire department and the front desk.
7. If the fire is not in your room, leave it if you can. Touch the door to test it for heat. If it’s cool, brace your shoulder against the door and open it slowly. Be ready to close the door right away if there are flames on the other side. Stay low and crawl through the smoke to the exit; fresher air will be near the floor. Take your key so that you can return to your room if you can’t use the exits.
8. If your room door is hot, don’t open it; there could be fire on the other side.
9. Use wet towels or sheets to seal the cracks around the door. Turn off fans and air conditioners. Call the fire department even if you can see firefighters outside and give your exact location. Signal at your window and stay low to avoid smoke. Leave your window closed if you see smoke outside since smoke and fire may enter through the window. If there is smoke in the room and it is clear outside, try opening the window. Be sure to close the window immediately if more smoke enters your room.
10. Fire exits and stairwells are your best escape routes. Never use an elevator during a fire; the elevator could stop at the fire floor.
The Road Continues: Things to Do During NLSC

Conference week will really fly by, but try to take in as much as possible. This conference provides something for everyone. Best practices: Meet as many people as you can. Get contact information or connect on social media. You will meet fellow advisors who have great ideas; you will meet industry personnel who can advise you. You will meet national staff who are prepared to help you become the best SkillsUSA advisor you can be. And it all starts with a simple hello!

- Pre-Conference Professional Development: Activate (for student leaders) and Engage (for advisors) take place June 18-20 before any contests begin.

- SkillsUSA Championships: All contests are open for viewing: June 21-23. Clearly, while you cannot communicate with your competitor during the competition, you can observe the contest in real time.
  - Observing other competitions is a great best practice tip. You can learn about contests that you might have competitors for in the future or share information about contests with colleagues back home.
  - Make some time to look at the leadership contests displays. Not only can you get great ideas for future competitors, but you can learn so much about chapters around our country and what they are doing in SkillsUSA!

- SkillsUSA TECHSPO is one of the largest technical trade shows in the country. Open June 21-23, plan to spend some talking to exhibitors, getting some freebies, and networking with other advisors in your CTE career cluster. Your students will also love TECHSPO as many exhibits are interactive.

- The SkillsUSA Store is open June 20-23. There is always something wonderful in the store, and often you will be “first on the block” for cool branded merchandise including shirts, gifts and accessories as well as contest clothing or SkillsUSA blazers. Your students will also want to shop.

- Academy of Excellence: June 21-23. If you can’t make it to Engage, plan to attend some sessions during the new Academy of Excellence. These professional development sessions are free with your conference registration and range in topics from SkillsUSA related to teaching pedagogy and more! You can attend as many sessions as you would like. Consult the NLSC app for topics, presenters and a detailed schedule.

- SkillsUSA University: June 21-23. How would you like to learn a technical skill that employers are desiring in your field? Come and see a business/industry representative display a technical skill in your career cluster area. Sessions are free with your conference registration. You can come to as many as you like; consult the 2022 NLSC app for topics, presenters and schedule.

- Community Service Project: June 24. Sign up in advance to participate in this annual tradition of giving back to our host city. You and your students can participate.

SkillsUSA will announce winners on Friday night, provide lists to SkillsUSA state offices, and then post a list of SkillsUSA Championships winners on the SkillsUSA website soon after NLSC. In addition, scores will be posted when available and these can be located using your contestant number.

SkillsUSA will post winners photos on the website after the national conference. These high-resolution downloadable photos are taken backstage of all medalists as they go to collect their prizes.
